A NEW DAY TO PRAY

Paul reminds us often in his epistles to pray: "*remembering you in my prayers*" (Eph 1:16) or "*pray without ceasing*" (1 Thess. 5:17) and others. We all believe in prayer. We study about prayer. We talk about prayer. But, how much do we really PRAY?

The world in which we live is crumbling before our very eyes. It is spiraling out of control, yet we know that God is ultimately in control and we've read the end of The Book!

So, join us in continued prayer for one another, our families, our neighbors, our communities, our churches, and our world.

*"For God so loved the world that He gave His One and Only Son, that whosoever believeth in Him should not perish but have everlasting life."
(John 3:16)*

Pancakes Anyone?

July 4th in St. Regis started our summer ministry work this year. **Team New Day** had to step up and make it happen! Folks from Haugan and St Regis came through with flying colors! One large group came through visiting their parents for their 60th wedding anniversary, so we got to celebrate with them over pancakes. Several folks were in town for the soft ball tournament and others come to the breakfast every year. It is a true joy to serve our community in this way on July 4th. Then we march in

the parade or ride in a vehicle, then clean up after breakfast. THEN comes the BIG EVENT! That afternoon our small group from New Day managed to set up the games, keep them staffed, and met a lot of new families—some from out of town, but many just moved to St Regis! It was an afternoon filled with fishing, hoop shooting, ring tossing, bean bag throwing, balloon popping, soccer kicking, sack racing, face painting, snow cone slurping, popcorn munching, and hot dog-chip-lemonade consuming. Yep, it was a really, really full day and a really hot day for western Montana. One young nine year old boy, made a hoop at the basketball throw, got his prize, and said, "St Regis is AWESOME!" (It was so cute.) Kuddos to our **Team New Day**: Chris & Amy Quinlivan, Brooke Hill, Bruce & Kathy McClelland (*with their son and daughter*), Anita Lebel & Tommy, Cheyenne, Cody, Dallas, & Dante, Janet Hughes, Joyce Goodenough, Sally Wright, and the Damrons!

PARTY IN THE PARK!

One week later our summer team from Grace Baptist in Knoxville TN came to help us host our Family Party in the Park on the 12th! We add bounce houses from the Montana Baptist Block Trailer to the games, along with the standard hot dogs, chips, lemonade/water, pop corn, snow cones, cotton candy, face painting, balloons and more. We served over 250 hot dogs and met a good number of new families to St Regis.

Several of these families have visited services at New Day in the last few weeks. And at least three have come consistently for the remaining Sundays in July. That is exciting! One family that is new in town have a 1st grade girl that really loves to come to Kidz Club on Sunday morning. They come from a different denomination and we have had several good, open conversations with them. Please pray for Faith and her family. Another family is visiting from Superior with a Junior High girl and a 3rd grader who also enjoys Kidz Club. Yet, another family has 3 preschool boys and have come consistently since the Party in the Park. They are precious and we want to pray for all of these families.

Will you pray with us that the Lord will send new laborers to His field in St Regis. We are in great need of adult workers for ministry. There are six to eight who are consistently involved and we are doing about all that we can do at this point. We know that God is faithful!

AGENTS OF TRUTH

This may have been the best ever **Summer Club** for Kids in the Park from Monday-Wednesday, July 13-15. We were shocked by a high attendance on the first day of 51, including staff team. This is the most we have had even with a large mission team assisting! So many of our children in Kidz Club had moved away at the end of the school year, we had no idea how many would come, if any! We were **AGENTS OF TRUTH** studying the *Life of Joseph*. One of the highlights each day was when we divided into three groups to search for our daily clues. The kids seemed to really enjoy this interactive way of telling the story. Each clue was something about Joseph's life that would help tell the story and help them remember those events. Each child who found a clue got a prize at the end of the week. Although we had no professions of faith this year, a most amazing thing happened. There were 4 older (4-6 gr) boys who came every day, were the first to arrive and the last to leave. Usually the older kids are just not that interested. We believe this was a God moment in their lives. Please pray for John, Jim, and Jeff (not their real names, but God knows!)

CRAFT CHAOS?

Not exactly chaos, but you know how kids LOVE the craft time! And they crowded around the craft table with Amy and her team every day. They worked hard all three days. They thoroughly enjoyed making their own Joseph's Coat from a brown paper bag (*graciously provided by Castle's Market in Superior*) and fabric scraps (*generously provided by Donna Richter*). This was a two-day project, but they proudly posed for a picture in them on the last day! One little boy said he felt like a robot in it! It was

a bit of a tight fit for the older children, but they were good about it just the same. For three days we were able to personally love on a wonderful group of kids. We had no trouble makers (this was definitely a first). Several of the kids were reported to have been in pretty serious trouble for the last 4-5 weeks of school. We had no trouble from any of the children. We got to meet 3 of the moms and visited with them some each day. That was an added blessing. The kids got a kick out of recreation, too. The first day was parachute games (the wind was really bad that day!), then water balloon day, and finally bucket & sponge day.

FAMILY FUN!

Not sure that words are adequate to express the joy of having our family in one place for the first time in over two years. Alan was able to meet his youngest grand daughter, Malina Ruth, for the first time. Our own girls are so precious to us and Abdul is our special son by love. Micaiah and Malina are an absolute treasure to have around. Don't get us wrong, we all have our moments, but we are still committed to loving one another and enjoying what time we have together. Micaiah is pretty well convinced that Granddaddy is her prince and she is going to marry him when she grows up. Hmmmm, wonder where that leaves Sarah? Ha!
